1. **Welcome/Introductions** – Opening Prayer
2. **Principal Update** – The 2020/2021 school calendar has been approved and sent via email. Progress reports are available through PowerSchool. Conferences were completed successfully, thank you to all that were able to attend. Stations of the cross will be led by the students on Fridays during Lent starting at 2:45pm. Registration is still open and we currently have 32 kindergartners and 205 total students registered for next year with a goal of 222. We have received a grant for security cameras to be placed in the Narthex area and have applied for additional ones including a Delta Dental grant to install water bottle filling stations and a Prairie Meadows grant.
3. **Treasurer's Report** – Only changes to the finances have been Green Gala expenses, we are still awaiting final numbers from the Handbid company for profits from auction. The FSA Executive Board will be meeting in March to begin the budget process for next school year. This shall be presented to the general FSA group in April.
4. **Old Business**
